

M/s Contenterra – on-Campus Recruitment Drive - 2027

The Training & Placement Office is pleased to inform the eligible students that **Contenterra Software Private Limited** has announced an opportunity for the position of **AI Intern** at its Hyderabad office.

Opportunity Details

Particular	Details
Company	Contenterra Software Private Limited
Profile	AI Intern
Location	Hyderabad – On-site
Internship Duration	6 Months
Working Days	Monday to Friday
Stipend	₹15,000/- per month
Potential Full-Time CTC	₹3.6 – ₹6.5 LPA, based on performance and confirmation of FTE
Internship Location	2nd Floor, Premier Building, Sri Sai Nagar, Madhapur, Hyderabad

Eligible Branches

Students from the following B.Tech branches are eligible to register:

Chemical Engineering, Civil Engineering, Computer Science & Engineering, Electronics & Communication Engineering, Mechanical Engineering, Metallurgical & Materials Engineering, and Electrical Engineering.

Role – AI Intern

The selected interns will work on projects involving **Artificial Intelligence, Machine Learning, Data Analysis and Automation.**

Key areas of work include:

- Developing and testing Machine Learning and Deep Learning models.
- Data collection, cleaning and preprocessing.
- Research and experimentation with AI algorithms, frameworks and tools.
- Integration of AI models into systems/prototypes.
- Working with senior engineers and data scientists.
- Documentation of code, processes and findings.

Expected Skills

Candidates should preferably have:

- Strong knowledge of **Python** and relevant libraries such as NumPy, Pandas, TensorFlow, PyTorch or Scikit-learn.
- Basic understanding of Machine Learning concepts, algorithms and model evaluation.
- Familiarity with data visualization tools such as Matplotlib, Seaborn or Power BI.
- Good analytical and problem-solving skills.
- Prior academic/project exposure to **AI, ML, NLP or Computer Vision** is an advantage.
- Exposure to AWS, Azure or Google Cloud is an added advantage.

Selection Process

Resume Shortlisting → Written/Technical Test → Technical Interview / Personal Interview

The written/technical test will assess programming knowledge, and candidates should be able to take the test in **at least one programming language**.

Registration

Interested and eligible students are required to complete the registration through the Google Form given below:

Registration Deadline: 29.09.2026, 6:00 PM

Google Form: <https://forms.gle/q5Up2BjKeVw6kGDY8>

Important Instructions

1. Registration is open only to **eligible and genuinely interested students**.
2. Students are advised to carefully review the role, internship duration, stipend, location and selection process before registering.
3. Registration does **not** guarantee shortlisting or selection.
4. Shortlisting and subsequent recruitment stages will be carried out as per the criteria and process communicated by the company.
5. Students must provide accurate academic and personal information while submitting the registration form.
6. Further details regarding the test/interview schedule will be communicated by the Training & Placement Office after receiving confirmation from the company.
