SCHOLARSHIP NOTICE

All students who have **already applied for the scholarship or are going to apply for the scholarship** are hereby informed that their **bank account must be linked/seeded with their Aadhaar number**.

The scholarship amount will be credited directly to the student's bank account through **DBT (Direct Benefit Transfer)**. This applies to SC category students from Academic Year 2024–25 onwards and **students belonging to other (BC/ST/EBC/MW/DW) categories from Academic Year 2026–27**.

Therefore, all students are instructed to complete the **Aadhaar seeding with their bank account** at the earliest.

Important Instructions:

1. If Aadhaar seeding with the bank account is not completed, the college will not be able to verify the scholarship application, and the **scholarship may not be sanctioned**.
2. **Aadhaar seeding with the bank account is different from Aadhaar authentication.** Students must ensure that their Aadhaar number is specifically **seeded/linked with their bank account** for receiving the scholarship amount through DBT.
3. **Students who have already completed Aadhaar seeding with their bank account may ignore this notice.** No further action is required from them.

For the convenience of students, a **detailed flowchart explaining the Aadhaar seeding process** is provided below.

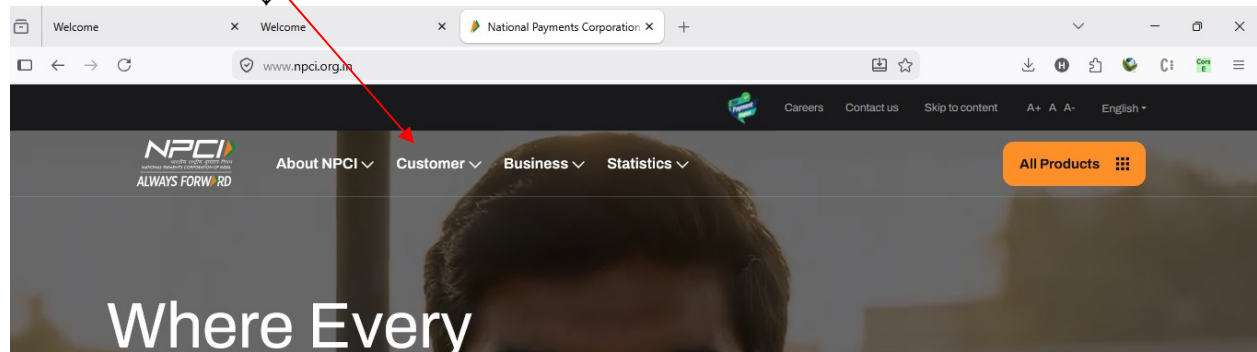

All students are requested to treat this matter as **urgent** and ensure compliance **without fail**.
