Subject: RGUKT - Academic Section - AY19-20, Semester - II - COVID-19 - Lockdown - Adoption of the scheme of "Carry forward" for the intermediate students (i.e., PUC-I, E1, E2, E3) of the Academic Year 2019-20, Semester-II - Reg.

1. Letter from the UGC – D.O.No.F.1-1/2020(Secy) dated 29/04/2020 – UGC Guidelines on Examinations and Academic Calendar in view of COVID-19 pandemic
2. Note approval orders of the Vice – Chancellor dated 29/05/2020

*****

1. This is to inform that in view of the COVID-19 pandemic and subsequent lockdown, the University Grants Commission (UGC) constituted an Expert Committee to deliberate and make recommendations on the issues related to the Examinations and the Academic Calendar for avoiding loss and taking appropriate measures in the interest of students.

   Based on the recommendations of the Expert Committee, the UGC has developed "Guidelines on Examinations and Academic Calendar for Universities in View of COVID-19 Pandemic and Subsequent Lockdown" vide reference 1st cited.

2. The Commission has issued certain guidelines on promotion of the intermediate students to their next year of study (in our case for PUC-I, E1, E2, E3 students of Semester-II of the Academic Year 2019-20).
   The steps suggested by the Commission (at para 6 of the reference 1st) are:

   i. *The scheme of "Carry forward" (for the subjects in which the student has failed) will be allowed for the current academic year in the universities and every student will be promoted to next semester/year. However, such students may clear the examination for the course in which he/she has failed / remained absent, whenever the examination is held next.*

ii. *The students may be allowed to improve their grades by offering one additional opportunity to appear for the current semester course(s) in succeeding semesters / years or through supplementary examinations.*

It has been approved by the Vice – Chancellor, vide reference 2nd, that the guidelines issued by the Commission on the scheme of "Carry forward" shall be adopted and implemented at our University for the current academic year, i.e., AY19-20.
