Rajiv Gandhi University of Knowledge Technologies

Job Announcement of **Evergent**

The T&P Team wishes to inform about a career opportunity at **EVERGENT**. Evergent would like to hire Btech Graduates to join their team as **Software Engineer Trainee** with a CTC of 4LPA.

A leading venture capitalist (VC) in Silicon Valley commented that **"Evergent is a diamond in the rough"**. Evergent today manages over 560M+ user accounts in over 180+ countries on behalf of our customers. Globally Evergent is working with 5 of the top 10 carriers (AT&T, Etisalat, SingTel, Telkomsel, and AirTel) and 4 of the top 10 media companies (HBO, FOX, SONY and BBC). We are not surprised by the VC comment. We have done this with an amazing global team of 300+professionals. Evergent is recognized as the global leader for Customer Lifecycle Management for launching new revenue streams without disturbing the inflexible legacy systems. The need for digital transformation in this subscription economy and our ability to launch services in weeks are what sets Evergent apart. We welcome you to come and meet with us.
