

FACE has always strived to provide the best Placement resources for students to excel in Placement drives and get selected in companies of their choice.

Today we would like to tell you about the **free App from FACE, FACE Prep**, which is used by over 50,000 students across India to prepare for Placement Drives.

Why should students download FACE Prep?

- > Daily 2,000 students come to ask doubts, study concepts, give tests and more
- > Real-time updates on placement drives (both on and off-campus)
- > Latest Drive patterns and questions from all major companies
- > Interview Experiences from the recent placement drives
- > Solve more than 70 tests on sectional and company specific topics
- > Study concepts on all topics and company patterns
- > Short-cuts, tips and tricks for Aptitude preparation
- > Real past TCS, Wipro, Infosys and other company questions with detail solutions

Till date some 10,000 doubts have been asked on FACE Prep and most students ask one of the following:

How to prepare for Placements?

How to study Aptitude?

Where should we start?

What are important topics?

When will companies come?

What was the pattern/questions asked in X company?

We are trying to answer all these questions. If you think your students would also have similar doubts they are seeking answers to, and this App can be useful for their Placement preparation. They can download the App using the below link or by clicking on the button at the end of this mail.
