G-Form Link: <https://forms.gle/id13BCRRwXhivMx67>

*Advantages for Registered Students:*

*Next steps:*

- 1. Students registered in this form will get access to a one-hour "TCS NQT Employability Quotient (EQ) Test", which will help them to understand their current preparation level for their Job Readiness.*
- 2. Get access to a 15-day career preparedness course, designed by experts with the intent to equip today's youth with core employability skills.*
- 3. After applying for TCS NQT, students will receive access to two practice tests, to help them prepare and ace the exam.*
- 4. After appearing for TCS NQT, students will receive a score card indicating their performance level which is valid for 2 years. With the NQT Score, students can apply for jobs in TCS and 400+ Corporates across industries, through the TCS iON Job Listing Platform.*
- 5. Post results for TCS NQT Students will get direct access to the TCS iON Job Listing Platform, where they can apply for multiple job opportunities from 400+ Corporates as per their desired role, post getting an NQT Score.*

*You can pass on these benefits to students as YOUR SUPPORT FOR THEIR PLACEMENT!*

The job market is ever-changing: making it difficult for students to find the right career path. Hence, TCS iON present TCS National Qualifier Test (TCS NQT).

TCS NQT is a national-level, standardized and reliable assessment that assists you in flaunting your employability quotient. TCS NQT evaluates the job readiness of you in terms of cognitive skills, industry knowledge, and workspace attitudes and provides you with a valid TCS NQT score. This score is acceptable in 2000+ companies across the industry.

### Benefits of TCS NQT Score:

A valid TCS NQT score will help you with the opportunity to stand out. You can further apply for top corporates in their Job Listing Platform. **TCS, Tata Elxsi, Persistent, Publicis Sapient, Asian Paints, Titan, Mphasis** and many more are using the **TCS NQT Score** as a part of their hiring process.

### Additional benefits of TCS NQT:

- ✓ Institution dashboard to showcase your performance and progress
- ✓ Benchmark Assessment
- ✓ Two Programming practice tests for you
- ✓ Detailed student performance analysis report
- ✓ Access to TCS NQT specific cognitive learning content
- ✓ Job opportunities for both IT and Non-IT career aspirants

**FREE DIAGNOSTIC TEST:** You can leverage this opportunity to invite your students to take the diagnostic test for **free** to comprehend their placement readiness.
