

Free Online Internship Opportunities by Emertxe Information Technologies and WebStack Academy

Emertxe Information Technologies, Bengaluru, has announced two **Free Online (Live) Internship Programs** designed to enhance students' technical skills and industry readiness.

1. Embedded Systems Internship

- **Eligible Branches:** ECE / EEE / Circuit Branches
- **Duration:** 4 Weeks (Online – Live Sessions)
- **Highlights:** Real-time project experience, expert mentorship, DISHA workshops on career building, and internship completion certificate.
- **Registration Link:** <https://www.emertxe.com/forms/embedded-internship-application-form/>
- **Last Date to Register:** 10th November 2025

2. Full Stack Web Development (MERN Stack) Internship (by WebStack Academy)

- **Eligible Branches:** CSE / IT / IS / Any Branch
- **Duration:** 4 Weeks (Online – Live Sessions)
- **Highlights:** Hands-on MERN stack learning, live project development, resume and interview preparation, and internship completion certificate.
- **Registration Link:** <https://www.webstackacademy.com/internship/fullstack-mern-application-form/>
- **Last Date to Register:** 10th November 2025

Both programs are **free of cost** and provide **hands-on, mentor-guided project experience** to bridge the industry–academia skill gap and enhance employability.

Interested students are advised to register before the due date.
