Update on INFOSYS Certification Program

The following students **who have cleared the Final Round of Infosys Certification.** The same will be communicated to the qualified students through email by INFOSYS latest by May 1, 2021.

The next phase of the program is the Advantage Round examination. This is an optional round, clearing which the students will receive a pre-placement interview opportunity for the Power Programmer and Digital Specialist Engineer roles.

If the students opt for the Advantage Round, they will have to take the examination at 9:00 AM on Friday, May 7, 2021.

Please note:

1. In case the students have also registered for HackwithInfy and they opt for the Advantage Round, all such students will not be required to appear for HackWithInfy Round 1. Their performance in the Advantage Round will be considered for HackWithInfy Round 1 as well.

2. If the students appear for the Advantage Round and do not clear it, they will still get the pre-placement technical interview opportunity for the Systems Engineer role at Infosys

3. Students will be awarded the Infosys Certification based on their performance in the technical interview after the Advantage/Final Round.

Infosys Certification related emails sent to any other Infosys email address will not be considered and responded to.
