OSMOSYS 

Presents

Wishlist.DO

do more with your crowd...

About Us

Osmosys Software Solutions Pvt. Ltd. is a quality driven service provider in the areas of software development, testing and technical documentation. We are an established company with 12 years of industry standing.

Our team of engineers are innovative professionals who share a passion to deliver optimal solutions.

At Osmosys, we believe that the strength of a company lies in product development and so rolled out a number of innovative products and the spectrum of our service includes various segments of the industry.

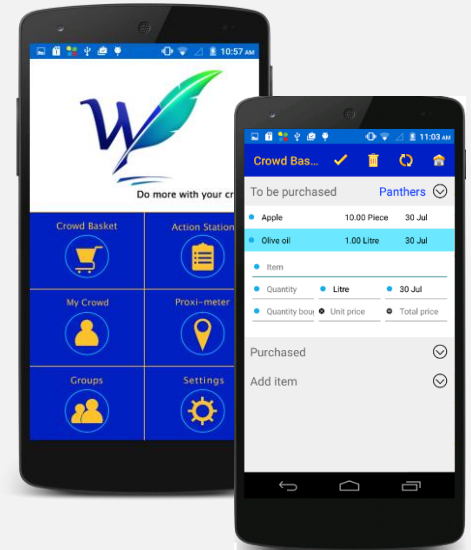

We are pleased to introduce you to our latest product named "Wishlist.DO".

Wishlist.DO is a mobile application built with an intention to provide the mobile world an app to do things *quicker* and with better collaboration among the *crowd*.

This app lets you do better management of To-do list among your *crowd*, so that if you wish to buy something, just by listing it here, anyone from your crowd in a store or near a store can pick it up for you.

FEATURES OF Wishlist.DO

- ✦ Create a list of action items and groups.
- ✦ View the list of tasks, their status and history.
- ✦ Set due dates for the completion of the task.
- ✦ Quick updates to the user notifying the items purchased/pending.
- ✦ Easy to maintain personal/crowd accounts.
- ✦ Keep track of your group by capturing the location.
- ✦ Review the tasks assigned to each member of the group.
- ✦ Plan your purchases - as well as plan to buy in bulk for the group.
- ✦ Invite others to join a group.
- ✦ Compare the bill with calculator in the app.

FREE

**Wishlist.DO is available on both Android and iOS platforms. Download it for FREE.

Go to Wishlist.DO: www.wishlist.do to find the download links.
