

Registration for Training and Placements for the AY 2021-22

Dear all

Registration of Training and Placements (TnP) is open for the fourth-year students of the Academic Year of 2021-22. Hence, the students (who wants to participate in **Campus recruitment drives** and other related activities) need to register at <http://tnp.rgukt.ac.in>
The last date for the registration is 19-07-2021.

Processor of the Registration:

1. You have to go to the **student login** tab: <http://tnp.rgukt.ac.in>

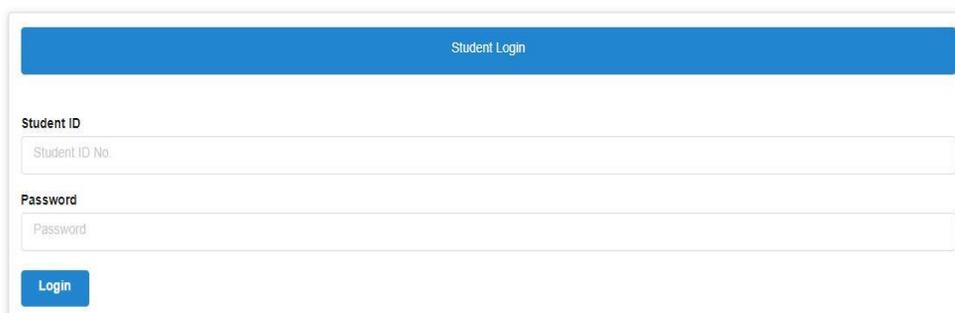

2. Your login credentials are:

Student Id: **your Id number** (ex: B16XXXX)

Password: **rgukt123**

Default password is rgukt123, you have to change the password after completion of the registration.

The screenshot shows the 'Student Login' form. It has a blue header with the text 'Student Login'. Below the header, there are two input fields: 'Student ID' with the placeholder text 'Student ID No.' and 'Password' with the placeholder text 'Password'. A blue 'Login' button is located at the bottom left of the form.

3. For the first time login, the web portal directs you to a Placement Policy, which you have to agree to **proceed** to register for Training and Placements. So please go through it thoroughly before **checking the box** (spare time to read the policy).

- 16. After having accepted a job offer, if a student does not wish to join a company due to genuine reasons such as pursuing higher studies, then the students has to inform the Placement Office and directly communicate the company of her/his decision. It is likely that they might abide by the agreements/bonds they enter into with the company.
- 17. CDPC/Placement office assumes that every selected student will pass the medical test if required by the company. If there is a rejection at this stage, the student's registration will be renewed and the student becomes eligible again to seek placement through this office in the same placement session.
- 18. If the total number of students who rejects offers for **NO valid reason** exceeds 20% of the total placed candidates in a particular department. Then the entire department would be debarred from any placement activities for the subsequent academic year.
- 19. **CDPC/Placement office reserves the right to change any or all of the above rules and is the sole authority in taking decisions pertaining to placements from the institute. Any grievances must be brought up to the notice of Placement office for resolution.**

I have read and agree to the Privacy Policy of Training and Placement Cell-RGUKT Basar

4. Then you are redirected to a registration form. There you have to fill fields of personal information. So keep them handy. For E3 sem-I and sem-II put 0.0 later you can update it.
