Industry-Ready Training Program in VLSI Design / Embedded System Design in Collaboration with VEDA IIT and Consortium of Industries

Dear Students,

All B.Tech IV Year I & II Semester students of **ECE / EEE / EIE / CSE branches** are hereby informed that RGUKT-Basar, in collaboration with **VEDA IIT** and the **Consortium of Industries**, is offering an **Industry-Ready Training Program** in **VLSI Design / Embedded System Design** for the **Academic Year 2025-2026**.

The program is designed under the **Choice Based Credit System (CBCS)** and includes a **provision to transfer credits** earned at VEDA IIT towards the award of the respective UG degree at RGUKT-Basar.

Course Highlights:

- Specialized training in VLSI Design / Embedded System Design
- Curriculum designed in alignment with industry standards
- Credit transfer facility under CBCS
- Industry collaboration to enhance career readiness

Eligibility:
Final year students (IV Year I & II Semesters) of ECE, EEE, EIE, and CSE branches.

Registration:
Interested and eligible students are advised to register for the program on or before **24-07-2025** using the following link:

☐ Registration Link: https://forms.gle/aUUPxj92rjYigtzH7
