ONLINE TEST FOR EPAM PRE-EDUCATION PROGRAM

All Registered students have to go through the below shared mandatory instructions before they begin their test on **16th February 2019, 11:00AM**. The test link will be shared by **15th February 2019** to students registered email Ids directly. EPAM will shortlist the student's basis their test scores and will finalize the entitled list for Pre-Education program after the online coding test.

1. Make sure you have a proper internet connection and latest version Chrome Browser
2. Ensure to have the fine quality webcam is the entire session is recorded (will be verified in case of any discrepancies).
3. If your computer is taking unexpected time to load, recommend to reboot the system before you start the test.
4. If your computer system shuts down suddenly due to power supply being disconnected, you can resume the test from the same question that you were attempting earlier. All previous answers are saved by default.
5. While resuming the test, follow and enter the data entered earlier in the same registration form.
6. Once you start the test, pursue and complete it in one go within the given duration.
7. The online coding test consists of three coding challenges, read instructions and code comments before proceeding
8. Caution! Do not move away from the window or refresh. You may be marked as suspicious and your test will end automatically
9. NOTE: Students who do not meet the eligibility criteria as defined in 'Selection Process' will be eliminated at any point of selection process or as soon as EPAM identifies the student has provided misleading information deliberately.
