Industry Webinar Series

Session by
Subject-matter
Experts

At **NSEIT**, learning and growing are synonymous with each other, and the proper guidance at the right time can enable aspiring job candidates to build a career that inspires them!

It thus gives us immense pleasure to introduce our **Industry Webinar series**, which is focused on providing aspirational students with the necessary guidance in cracking their interviews and landing a dream job!

Check out the details of our first webinar:

Session Topic: Effective Resume Building

Date and Time: December 08, 2022 | 5:00 PM – 6:00 PM

Session Mode: Virtual (Online) | Link will be shared via email after successful registration

Last Date for Registration: December 08, 2022 | 05:00 PM

Do you know; the Applicant Tracking System (ATS) Compatible Resume can help you get your dream job interview call?

- You spend hours perfecting your resume; when it comes to job hunting, your resume is your most essential tool
- After all that work, you are still not getting enough interviews, even for jobs you know you are qualified for...

Wondering Why?

- You might not realize that your resume usually doesn't go to a human being after you submit it! **It goes to a computer.**
- Getting past an ATS and landing a job interview requires a well-written resume that is mindful of **ATS algorithms**

Join us for deeper insights on ATS-friendly Resume Writing

Mohan Kumar

About the Speaker:

A trainer with 24 years of experience across various industries, having trained over **75 Brands Pan India**. Mohan is currently part of the Quality and Training Team at NSEIT.
