

T & P CELL

It is being observed that scant respect and attention is being paid to any notice being put up by the T & P Cell calls for meeting are not being responded to by students.

Indeed sad that the response should be so meager from the students.

It is therefore brought to the notice of students that henceforth those who do not respond to notices from T & P Cell shall be summarily barred from any activities organized by T & P Cell. As per the **Infosys Drive**, Except for the 45 students who attended the meeting on 19th Jan at 1:30 PM, the rest are hereby declared ineligible for the drive on 23rd and 24th Jan, till further notice.
