Training and Placement Office

FROM THE DIRECTOR'S DESK

Pie Infocomm is highly enlivened by the words of Mr. Vijay Kumar Jaiswal –

"The Illiterate of this century will not be those who cannot Read and Write, but those who cannot Learn, Unlearn, and Relearn."

In today's era, where the potential management leaders and the IT experts needs to innovate and redesign themselves perpetually, Pie Infocomm nurtures them and provide them with a lavish platform to adapt the radical environment in Software development ,Training and Research work, Share trading as well as Digital Marketing.

Since its inception in 2002, PIE INFOCOMM has established an unsurpassed institute across PAN INDIA. Company's curriculum is an absolute blend of technical as well as non technical knowledge and team which allows the students from any discipline to develop the skills and knowledge relevant to their own career paths.

The company has earned reputе as a centre for quality training and research work joining this company is like keying the door to success. We heartily welcome you to explore a brand new wonderful life and a bright future ahead.

COMPANY PROFILE

PIE INFOCOMM, incorporated on March 23, 2002, is an IT specialized company, consulting and business process service provider. It operates through four segments:

- 1. IT Services and IT Products (SOFTWARE DEVELOPMENT)**
- 2. Training and Research (INTERNSHIP PROGRAM, WORKSHOPS, FACULTY DEVELOPMENT PROGRAM, IN- HOUSE TRAINING, INDUCTION PROGRAM, PERSONALITY DEVELOPMENT PROGRAM)**
- 3. Digital Marketing (SEO, PAY PER CLICK, SOCIAL MEDIA MARKETING, AFFILIATE MARKETING)**
- 4. Share Trading (TRADING, EQUITIES & SECURITIES)**

IT Services and Development - This segment consists of our IT Service offerings to the customers of various sectors which include Banking, Financial Services and Insurance, Healthcare and Life Science, Retail, Consumer Goods, and Educational Institutions. The Company provides a range of services, which include customer-centric software designs, Technology and IT consulting, Software, Website and Mobile Apps development, re-engineering and maintenance, Digital Marketing Services and ERP. The Company offers integrated business solutions that span across enterprise applications and digital transformation to security and testing.

Training and Research - *"Anyone who stops learning is old, whether at twenty or eighty"*. This spirit is deeply rooted in our unchanging essence. So we collaborate with colleges and universities all over India and nearby to provide Internship Programs, Training Programs (Technical Skills, Soft Skills, Management Skills), Workshops, Seminars, In-House Training, Personality Development Programs to students and faculties. We have covered more than 100 colleges all over India for training and recruitment.

COMPANY PROFILE

Digital Marketing - The way we market our products and services is changing fast. What worked yesterday might not bring results tomorrow. We are moving from Physical Real world to Virtual World of Digital marketing where it is possible to reach wider, target smarter, and be more cost-effective. PIE INFOCOMM growing team of over 40 highly qualified professionals take great pride in the deep knowledge and value they bring their clients each day. Established as web agency & Digital Marketing Company Lucknow in 2010, when the Internet has become boom in India, Digital Way of Marketing is ingrained in our DNA. Our experts track and study the emerging Digital Marketing trends and recommend ways to promote businesses online. We use these methods for Digital Marketing -

1. PAY PER CLICK
2. AFFILIATE MARKETING
3. SOCIAL MEDIA MARKETING

Share Trading - We have a sister company 'YOY Capital Infra Private Limited' with branches in Noida and Lucknow. It is a Common Service Center, also dealing in Share Trading Services, Insurance and Mutual Funds.
