|         |                    |
|---------|--------------------|
| Round 1 | Written Test       |
| Round 2 | Group Discussion   |
| Round 3 | Personal Interview |

All our leaders are recognised experts in their domains, and lead challenging projects. We are looking to augment this team by recruiting fresh graduates and post-graduates as Trainee Engineers.

After successful completion of training, these trainees will be absorbed into our own groups and will be working either on project sites or any of our office locations across the country.

Aarvee Associates Architects Engineers & Consultants Pvt. Ltd.  
Ravula Residency, Srinagar Colony, Hyderabad – 500 082, India.
