

Notice from Internshala

Internships for 1st Year Students

I Pay For My New Phone

Last date to register and apply: 5th April

REGISTER NOW

Dear Students,

Internshala - India's largest internship platform has launched the third edition of '**Internships for 1st Year Students**'.

1st-year students who would like to earn a healthy stipend of at least Rs. 20,000 during their internship tenure can apply to these handpicked work-from-home internships in profiles like Digital Marketing, Social Media Marketing, Content Writing, etc.

Steps to register and apply for internships -

- Visit internshala.com/i/first-year-internship and register yourself
- View the internships listed and submit your applications

Deadline to register and apply is 5th April 2019. There are no registration charges involved.

The employer will get in touch with the shortlisted applicants by 25th April 2019.

If you have any questions, please drop an email at contest@internshala.com
