

REGISTRATION OPEN for 2025 Graduates Apprenticeship Opportunity: Technical Support (Posidex Technologies)

Eligible students are informed that Posidex Technologies is offering an opportunity for the role of **Apprenticeship – Technical Support (Trainee/Associate Software Engineer – Technical Support)**. Interested and eligible candidates are advised to register on or before **30.11.2025** at the link provided below.

Job Summary

The selected candidates will undergo training to provide technical support for Posidex products and SQL databases. This role is ideal for candidates aspiring to begin a career in application and database support/administration.

Key Responsibilities

Training & Development

- Participate in training on Posidex products, SQL, database management, and troubleshooting.
- Assist senior SQL engineers and SMEs in routine maintenance activities.
- Learn to monitor and optimize application/database performance.

Technical Support

- Support production applications and SQL-related technical tickets.
- Shadow senior engineers to understand issue resolution.
- Develop skills in diagnosing performance issues, deadlocks, and bottlenecks.

Database Maintenance

- Assist in backup, recovery, and disaster recovery procedures.
- Manage access, permissions, and security protocols (under supervision).
- Support database updates, indexing, and optimization tasks.
- Coordinate with development and system administration teams.

Documentation

- Document troubleshooting steps and best practices.
- Assist in updating database schemas and configurations.

Required Skills

- Basic knowledge of SQL, PL/SQL, and RDBMS concepts.
- Familiarity with MS SQL Server / MySQL / PostgreSQL / Oracle.
- Strong problem-solving and troubleshooting abilities.
- Willingness to learn and adapt.

- Good communication skills.
- Ability to work in teams.
- Flexibility to work from any location in India and in 24/7 shifts.
- Programming knowledge is an added advantage.
- **Only male candidates are eligible.**

Eligibility Criteria

- **B.Tech (CSE/IT/ECE) – 2025 Passed Outs** with **80% aggregate (mandatory)**
- **SSC & Intermediate – 90% (mandatory)**

☐ **Last Date to Register: 30.11.2025**

☐ **Registration Link:** <https://forms.gle/iVpGomuHDf5ASG2UA>

Students meeting the above criteria are advised to register within the deadline.

Students must review the job description and eligibility criteria carefully before registering.
